Life's just better when you have choices.

Add a Medicare Supplement insurance plan today. No matter which one you choose, you'll enjoy:

Added coverage for costs that aren't covered by Original Medicare

Guaranteed coverage for life — even if your health changes²

The freedom to choose any doctor or hospital that accepts Medicare patients — no referral needed.³

Access to 16,000 SilverSneakers® fitness locations across the nation at no extra cost⁴

Coverage for medical emergencies worldwide⁵

Save with extra benefits Original Medicare doesn't cover.

Original Medicare covers the basics, but not all your medical costs. And these costs, like deductibles, co-payments and coinsurance, can end up cutting into retirement savings. I can walk you through how our plans help cover these costs to help you stay afloat.

Medical Care Examples	Your costs with only Original Medicare	Your costs with Medicare Supplement Plan G ¹
\$4,000 in physician costs and tests (such as MRI)	\$998	\$198
15 days in the hospital, 22 days in a Skilled Nursing Facility and \$12,000 for physicians, surgeons and tests	\$4,358	\$198
75 days in the hospital, 60 days in a Skilled Nursing Facility and \$100,000 for physicians, surgeons and tests	\$33,398	\$198

¹These estimates are based on 2020 Medicare Supplement Insurance Plan G. Your cost will vary with other Medicare Supplement Insurance Plans.

²Once enrolled into your Medicare Supplement insurance plan, your coverage is guaranteed for the life of the plan with only two exceptions/restrictions: nonpayment of premiums and material misrepresentation.

³You must choose a hospital in the Select network in order to receive full benefits if you choose a Medicare Select Insurance plan.

⁴Please check with your doctor before you start a physical activity program. SilverSneakers is a value-added program. It is not insurance and not part of the Medicare Supplement insurance plans. It can be changed or withdrawn at any time. The SilverSneakers fitness program is provided by Tivity Health, an independent company.
